

At First Evangelical Free Church (FEFC), we are serious about our purpose: **to help people become healthy followers of Jesus Christ.** It's what drives what we do, up and down our church programs.

Sunday mornings are a chance to gather together, worship our Triune God, and learn from His Word.

We recognize that God's truth found in the Bible is the foundation of all Christian growth. At the same time, we understand that people grow best with other people — what we call fellowship. So combining God's truth with fellowship is a great way to help us each grow to be more like our Savior, Jesus Christ.

So we have at our 9:30 am hour each Sunday morning **Adult Bible Fellowships (ABF)**. Think of ABF's as a Sunday School class with an emphasis on truth and relationships. ABF's have these elements —

- Teaching centered on God's truth
- Focus on relationships
- Social activities
- Group outreach
- Prayer

Check out our ABF lineup and see where you can fit! There's a place for every adult at First Free!

### Elevate

This is a group for our young adults. You'll probably feel most comfortable in this group if you're between the ages of 25-30, single or married with no children. Elevate will learn from God's Word truths that relate to this crucial stage of life.

Location: Conference Room  
Leader: Dan Ruccio  
Study: "Life Isn't Fair! Who said It Was?"

### Life Builders

This is an ABF for young families at First Free. Parents with kids from birth to age 11 (parents in age from 25-40) will feel most comfortable in Life Builders. We will be studying anything from a Biblical book, to a current topic to a video series, with special attention for issues affecting young families.

Location: Children's Center  
Leader: Pastor Joel Rishel  
Study: Ephesians

### Ambassadors

Our Ambassadors ABF is intended to cross over most age distinctions. The hallmark of this ABF is detailed Bible study.

Location: Fellowship Center (Gym)  
Teacher: Pastor Kirk & others  
Study: 2 Corinthians

### Boomers

If you know what a "Baby Boomer" is, this might be the place for you! People from their mid-40 into their early 60's will feel a special bond in this group. These are folks who like to talk, have fun, and figure out how to make God's truth relevant to everyday life.

Location: Fireplace Room  
Teacher: Rob Gibala  
Leaders: Paul & Sharon Neff  
Study: Heaven (Randy Alcorn)

### Prime Time

Some think once you've reached retirement age, there's nothing left. Primetime will help you see that's all wrong! This ABF is geared for those 60+, with solid doses of God's word in a format that encourages discovery for your own life. Ron Dries will be teaching this ABF.

Location: Adult Learning Center  
Teacher: Daniel Zajdel  
Study: James

Our Adult Bible Fellowships (ABF) are a weekly way to connect with other believers around the teaching of God's Word. Combined with weekly church attendance, ABF's will stimulate you to live out your faith with the encouragement of other Christians.

We have other groups that meet at different times for adults to help you grow, like Grief Share and various small groups.

If you desire to know more about our Adult Bible Fellowships, or have any questions about Adult Ministries at FEFC, please contact Pastor Kirk Albrecht.
